

Call for Papers

THE 6TH IEEE INTERNATIONAL CONFERENCES ON CYBERNETICS AND INTELLIGENT SYSTEMS (CIS), AND ROBOTICS, AUTOMATION AND MECHATRONICS (RAM)

12-15 November 2013
Manila & Pico de Loro Beach, Philippines

[www.cis-ram.org]

CIS International Advisory Board

Maria Chiara Carrozza, *Scuola Superiore Sant'Anna Italy*
Ralph Etienne-Cummings, *Johns Hopkins Univ., USA*
Homayoon Kazerooni, *UC Berkeley, USA*
Jong-Hwan Kim, *KAIST, Korea*
Derong Liu, *Univ. of Illinois at Chicago, USA*
Nikhil R. Pal, *Indian Statistical Institute, India*
David Powers, *Flinders Univ., Australia*
Gary G. Yen, *Oklahoma State Univ., USA*

RAM International Advisory Board

Toshio Fukuda, *Nagoya Univ., Japan*
Keum Shik Hong, *Pusan Nat'l Univ., Korea*
Oussama Khatib, *Stanford, USA*
Bruno Siciliano, *Univ. Napoli, Italy*
Tzyh-Jong Tarn, *Washington Univ., USA*
Masayoshi Tomizuka, *UC Berkeley, USA*
Yangsheng Xu, *Chinese Univ. of Hong Kong, China*

CIS General Chair

John-John Cabibihan, *Nat'l Univ. Singapore (NUS)*

CIS Program Chair & Co-Chairs

Kay Chen Tan, *NUS Singapore*
Huajin Tang, *I2R, A*STAR, Singapore*
Prospero Naval, *University of the Philippines*

RAM General Chair

Marcelo H Ang Jr, *NUS Singapore*

RAM Program Chair & Co-Chairs

I-Ming Chen, *Nanyang Tech. Univ. (NTU), Singapore*
Shaohui Foong, *S'pore Univ. Tech. & Design, Singapore*
Edwin Calilung, *De La Salle Univ. (DLSU), Philippines*

Organizing Committee Chair:

Laurence Gan Lim, *DLSU, Philippines*

Finance Chairs

Danwei Wang, *NTU, Singapore*
Edwin Sybingco, *DLSU Philippines*

Publication Chairs

Domenico Campolo, *NTU Singapore*
Raymond Tan, *DLSU Philippines*

Webmaster/IT Chair:

Hongliang Ren, *NUS Singapore*

Social and Local Arrangements Chair

Anthony Chiu, *DLSU Philippines*

Registration Chairs

Hongliang Ren, *NUS Singapore*
Ryan Vicerra, *DLSU Philippines*

Invited Sessions Chairs

Haoyong Yu, *NUS Singapore*
Florante Salvador, *DLSU Philippines*

Publicity Chairs

Han Wang, *NTU, Singapore*
Alvin Y. Chua, *DLSU Philippines*

Organized by

IEEE SMC Singapore Chapter
IEEE R&A Singapore Chapter
IEEE Singapore Section
IEEE Philippines Section

In Cooperation with

De La Salle University, Manila

Supported by

Centre for Intelligent Control
& Advanced Robotics Center, *NUS, Singapore*
Centre for Intelligent Machines, *NTU, Singapore*
Mechatronics Group, *SIMTech, Singapore*

About CIS-RAM

The IEEE International Conferences on CIS & RAM have always been held together, to exploit the synergistic relationship between both areas. CIS-RAM was first held in Singapore in 2004, followed by Thailand in 2006, Chengdu (China) in 2008, Singapore in 2010, and Qingdao (China) in 2011. CIS-RAM 2013 will be co-located and held in parallel with the 6th International Conference on Humanoid, Nanotechnology, Information Technology, Communication and Control, Environment, and Management (HNICEM). Participants registered for any of the three conferences are free to attend any of the conferences.

The Venue: Philippines

CIS RAM 2013 will be held in two locations in the Philippines: Manila and a resort 2 hours away (by land or boat) from Manila. We invite you to the beautiful islands of the Philippines. The capital of the Philippines—its heart and soul—is Manila. Metropolitan Manila is where the country's most prestigious business addresses and the trendiest leisure establishments are found. By day, it hums with the bustle of commerce and, by night, throbs with the excitement of varied, world class entertainment. Catch a glimpse of the many wonders we offer you as you visit our 7,107 islands. More information can be found at www.itsmorefuninthephilippines.com.

Programs and Topics:

All conference papers will be presented in Manila on 12-13 November 2013. Special sessions, workshops and social tours will be organized at Pico de Loro Beach and Country Club on 14-15 November 2013. Spouse programs and post-conference tours to the surrounding islands can be arranged through conference event organizer upon request. ([Virtual tour: www.picodeloroclub.com](http://www.picodeloroclub.com)).

The conference welcomes paper submissions from researchers, practitioners, and students in but not limited to areas of **Cybernetics, Intelligence, Systems, Robotics, Automation and Mechatronics**. Related topics include but not limited to human-robot collaborative systems, hybrid intelligent systems, control, multi-agent systems, discrete event systems, soft computing, fuzzy systems, neural networks, genetic algorithm, evolutionary computation, image processing, computer vision, tactile sensing, sensor & actuator networks, environmental systems, systems biology, cyber-physical systems, decision support systems, system of systems, personal and service robotics, vision, unmanned systems, haptics, modeling, planning and control, kinematics, mechanics, and mechanism design, legged and wheeled robots and distributed autonomous robotic systems.

Paper Submission:

Papers must be written in English and should describe original work. The length of the paper is limited to a maximum of 6 pages, which includes figures, tables and references. For more details, please visit: www.cis-ram.org/2013/onl-pap.html. All the papers in the conference proceedings will be indexed in *IEEEExplore*, *ISI Proceedings*, and *EI Compendex* database. Selected papers will be shortlisted for Special Issues at the *International Journal of Advanced Robotic Systems (InTech)* and *Computational Cognitive Science (Springer)*.

Important Deadlines:

Conference/Invited Session Paper Submission	:	30 June 2013 11 June 2013
Notification of Acceptance	:	11 August 2013
Final Camera-Ready Manuscript	:	11 September 2013
Registration	:	11 September 2013
